MYER CREEK PARK DEVELOPMENT PLAN

Myer Creek Park has been divided into nine sections according to the primary activities planned in each of the areas. A map showing these sections is located on page XX.

On the following pages is an overview of the recommendations. Each section is then divided and details provided. Anticipated time to completion has also been included.

RECOMMENDATIONS (continued)

Anticipated Time to Completion

(A) 0-1 YEAR (B) 2-3 YEARS (C) 3-5 YEARS IMMEDIATE

SECTION 1: 4-H ACTIVITY COMPLEX

Existing Features:

- Restroom
- Two Shelters
- Riding Ring
- 4-H Activity Center
- 4-H Covered Area
- Concession Stands

Needs:

- Additional electricity needs - Immediate
- Playground (B)
- Hitching posts (A)
- Additional picnic shelters and BBQ grills (2 existing) (B)
- Purchase picnic tables for small shelter (A)
- Add stand alone picnic areas (B)
- More permanent bleachers and announcer stand (A)
 - 4-H recently received funding to purchase/build both
- Possibly move existing concession stand to another location and build a larger one to better meet the needs of this area as events continue to grow. (A)
 - 4-H recently received funding to purchase/build

SECTION II: DISC GOLF COURSE AND AMPHITHEATER AREA 18 Hole HB Clark Signature Course

<http://www.bluegrassdiscgolf.org/design.html>

- Front nine holes built Summer 2007 in area near proposed amphitheater (A)
- Back nine holes built in Fall 2007 (see Trailhead Area Section) (A)

40 x 60 Shelter (12' on centers) with center fireplace, two fans, possible uncovered porch area.

- Include electricity and access to potable water

Amphitheater* (B)

- Natural seating (B)
- Share concession stand and restroom (see note*) (B)
- Need electrical service for performing arts stage and lighting (B)

*NOTE: Restroom facilities, concession stand and parking for amphitheater are addressed in Section III.

RECOMMENDATIONS (continued)

(A) 0-1 YEAR (B) 2-3 YEARS (C) 3-5 YEARS IMMEDIATE

SECTION III: TRAILS AND BACK NINE

Trailhead Area

- Disk Golf (Back 9 Holes - Wooded) (B)
- Large Shelter - 40' x 60' with storage area/concessions at one end, fireplace at other end, overhead fans, electricity and potable water spigot
- Alternative idea: Stand alone concession stand
 - To serve both Trailhead and Amphitheater.
Check into the possibility of using existing 4-H concession stand when a larger one is built for 4-H and moving it to this site.
- Double Parking Lot Area (Post Sleeve Locks separating the two lots)
 - Possibly use red river gravel and possibly tile area (B)
- Future: Mobile stall units for horses if determined they are needed. (C)

Trails - Nature & Equestrian

- Signage for walking and equestrian trails (funding from Recreational Trails Program) (A) **DONE**
- Interpretive signs, Outdoor Learning Center and wetland exhibit in natural setting along trails (funding from KDFWR) (B)
- Wetland wildlife pond (possible funding from KDFWR) (B)
 - Need to contact RC & D Jim Markwell to discuss their interest in this and possible partnership (Immediate)
- Obstacle course and training stations (B)
- Interpretive Signs (possible funding from Forest Service/KDFWR) (B)
- Second RV Park (B)
 - 20 sites with pull through entrance and/or angled for large trailers
 - 10 stands for 20 hookups with both 20 and 30 amp with 125 volt plug in.
- Wagon Trail Road to site will need work (A)

SECTION IV: ENERGY PARK/SPORTS COMPLEX AREA

- Two regulation fields/two soccer fields combined (B)
- Concession stand/office/restrooms/electrical room/storage 30'x 40' (B)
 - Need 70' to 90' between fields
- Flood retention area/water feature (B)
- Gravel parking lot (B)
 - Asphalt parking lot (C)
- Babe Ruth Field (only one) (C)
 - Baselines - 90'
 - Foul lines - 350'
 - Centerfield - 400'
 - Home plate to back stop - 40' x 60'
- Third regulation softball/baseball fields - *possibly add later*
- Stand alone soccer fields (195 to 225' x 300' to 360')
 - Long axis to be NW-SE for sun - *possibly add later*

RECOMMENDATIONS (continued)

(A) 0-1 YEAR (B) 2-3 YEARS (C) 3-5 YEARS IMMEDIATE

- Playground (C)
- 40' width loop around sports complex area (C)
 - 6' to 10' horse trails/25' nature buffer/8' walking trail

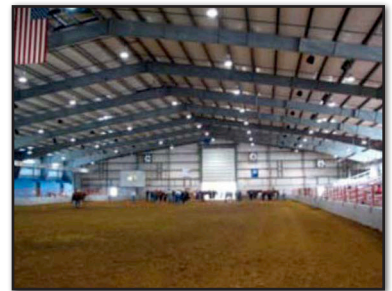

SECTION V: ENERGY PARK/FAIR GROUNDS AREA

- County Fair Exhibit Hall - 60' x 80' to 100' (A)
 - State funding available up to \$100,000 for Exhibit Hall
 - Small parking area in front of building (A)
- Fairgrounds and grass parking lot (A)
- Tractor Pull Area 350' x ? (A)
- RV and trailer parking for fairground carnies (western quadrant of the fairground area) (B)
 - Need 220 amp hookups 400 voltage?
 - Need sanitary sewer hookups for campers
 - #of sites (20) - RV sites could also be used during sporting events

SECTION VI: AG EXPO AND EXTENSION CENTER

- Ag Expo Center and arena - 230' x 130' minimum (C)
- Extension offices (have design plans for facility) (A)
 - Parking area in front of building

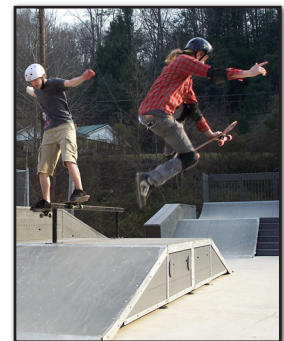

SECTION VII: RV & PRIMITIVE CAMPING AREAS

- Short term RV campground (A)
 - 20 sites plus additional primitive sites
 - 10 stands for 20 hookups with both 20 amp and 30 amp with 25 plug
 - One dump station shared by all at other end of Wagon Trail Road
 - Water at every site
- Small picnic shelter with electricity, overhead fan and potable water spigot
- Will share shower house/restrooms and shelter pavilion located in Section III. See Section III - Nature/Equestrian Trails for details.
- Dump station will be located as one exits the RV park at the western end of Wagon Trail Road.

SECTION VIII: BOARD/COURT SPORTS

- Basketball courts (C)
- 84' x 50' with 10' unobstructed with 3' space on all sides
- Area could be used for overflow parking during fair
 - Gravel surface (A)
 - Asphalt surface (C)
- State Park (55' x 120' can handle 11 to 20 obstacles) (C)
 - Movable units
 - Do not need to be any larger than 100' x 100'

SECTION IX: SHOOTING AND ARCHERY RANGE

- Need further discussion on location (Immediate)

RECOMMENDATIONS (continued)

MYER CREEK PARK DEVELOPMENT PLAN

Below is a map of the proposed development for Myer Creek Park.
