#### ACTION TO TAKE:

- More focus needs to be on Agritourism including a barn trail, harvest events and web links.
- More emphasis on locally grown farm fresh produce in restaurants and grocery stores.
- A dedicated section on GoCadiz.com for agritourism initiatives including wood and other crafters, fishing as well as hunting guide services, farm venues and more.

**IMMEDIATE ACTION:** Research is needed to identify all the agritourism venues in Trigg County.

**Note:** Change link for Red Roof Ranch on [GoCadiz.com](http://GoCadiz.com) to one or both of those above.

Trigg County's two farmers markets are located in Cadiz and Cerulean.
